

Mexico

Mexico: They celebrate "Día de los Muertos" (Day of the Dead) instead, to honor their loved ones with altars, food, and colorful decorations.

Families build altars, decorate them with flowers, candles, and photos, and prepare favorite foods of those who have passed away.

Japan

Japan: Halloween became popular through pop culture. It's all about costumes and parades but not traditional trick-or-treating.

Instead, people enjoy the festive atmosphere in urban settings, often with a mix of creativity and cosplay culture.

Ireland

Ireland: Halloween is still true to its origins with bonfires, storytelling, and traditional games like apple bobbing.

Halloween traces its origins back to the Celtic festival of Samhain.
