

Dear MWES Families,

Each day at MWES students have the opportunity to earn points in the Thrillshare app under "Rooms" as set up by their teacher. This is a component of our PBIS (Positive Behavior Interventions and Supports) program. Students earn points from staff members by following any one of the four Braves Behavior Expectations. This point system replaces the clip chart system of past years.

Students collect points throughout the school day. Near the end of each month, students who meet the points' requirements will be able to attend a celebration within their grade level team. Students who do not meet the required number of points will have time to complete missing assignments and/or reflect on what they can do next time to earn the celebration. Each month all students reset to 0 points. Parents will be able to view their child's point balance in the BCPS app under the Rooms Behavior option. Your child's teacher will send home your child's unique code to join their 'room'. Please login from a computer the first time.

If you have any questions, please contact your child's teacher or Mrs. Franklin, MWES School Counselor and PBIS Coach.

Be sure you have the BCPS Mobile App!

Please sign and return this bottom portion to your child's teacher in acknowledgement of your understanding of this program.

We are SO excited about our new celebration program. We look forward to building new relationships with our students. We also want to offer parents the opportunity to share their special talents and skills with our students. Are you into yoga? Journaling? Cookie decorating? Painting? We would love for you to share your interests and skills with our Braves! If you would be willing to lead a group during one of our monthly celebrations, please return the bottom portion of this form to your child's teacher.
