

1/29/2022 PROPERTY MANAGER'S REPORT

By Donald Foster, LCAM

UCOMAINTENANCE@GMAIL.COM UCOGARBAGE@GMAIL.COM

VEHICLE TRAFFIC- UCO is receiving an increased number of reports of unsafe driving (speeding, illegal passing, etc.). Last week, there was a traffic accident on North Drive, which resulted in a unit owner being hospitalized with a broken leg. I have requested that PBSO increase their traffic enforcement inside the Village. Please, drive slowly and carefully.

UCO ELECTIONS- At the 2/3 UCO Delegate Assembly, the UCO Nominations Committee will take nominations from the floor for the 3/3 UCO Elections. This year, there will be elections for ten seats on the UCO Executive Board, and two Vice President seats. All CV unit owners are eligible to run for office. Please read the flier from UCO Nominations Committee Chair Bobbi Levin, which is appended to this report.

MILESTONE INSPECTIONS AND STRUCTURAL INTEGRITY RESERVE STUDIES- Last year, Florida legislators signed **Senate Bill 4D** into law, which as enacted is **Florida Statute section 553.899**. This new law requires multi-story residential buildings and condominiums over three stories in height to receive mandatory structural inspections called **Milestone Inspections**. The law also mandates that **Structural Integrity Reserve Studies** are completed every ten years. Since CV Association Boards have made inquiries about these new requirements at UCO, I have "lifted" a brief explanation from an engineering firm's info sheet:

What is a Milestone Inspection? Florida Statutes section 553.899 calls for a "Milestone Inspection" to be completed for a condominium association or a cooperative association for each building that is three stories or more in height by December 31 of the year in which the building reaches 30 years of age, based on the date of the certificate of occupancy for the building, and every 10 years thereafter. If an inspection is required, and the building's certificate was issued on or before July 1, 1992, the initial milestone inspection must be performed before December 31, 2024.

What is a Structural Integrity Reserve Study? The Statute also mandates that a “Structural Integrity Reserve Study” be completed every 10 years as well. This includes:

- A study of reserve funds required for future major repairs and replacement of common areas based on visual inspection.*
- The study may be performed by any person qualified to perform such study, but the visual inspection must be performed by a licensed engineer/architect.*
- At a minimum, the study must identify common areas being inspected, state the estimated remaining useful life, estimate replacement costs or deferred maintenance expenses of common areas inspected, and provide a recommended annual reserve amount that achieves the estimated replacement or deferred maintenance expenses of each area inspected by the end of the estimated remaining useful life.*

CV Associations should be checking in with their Attorneys for reliable advice on how to meet these new requirements, and should also have their Attorneys check over any contracts before signing. **On 3/1, Attorney Mark Friedman will host a class on SB4-D at the Century Village Clubhouse Theatre.** It is strongly recommended that board members and unit owners that may be affected by this new law attend this class.

CONDO CLASSES AT CV CLUBHOUSE- The 1/25 Board Certification Class was canceled, due to Attorney Mark Friedman catching COVID. A makeup class has been scheduled for 3/22, starting at 9:00 AM. This class is also available online, by using the following link:

[Floridacondohoalawblog.com](https://floridacondohoalawblog.com)

From this page, click on “Classes”, then “Watch Now”. The remaining classes for the year, at the Century Village Theatre, will be as follows:

February 8- 10:00 AM- 11:30 AM - Performing Work Within Units Without Approval.

March 1- 10:00 AM- 11:30 AM- SB 4D / Reserves And Other Issues.

March 22- 9:00 AM- Makeup Board Certification Class.

CURB INSTALLATION, CENTURY BOULEVARD- This week, Atlantic Southern Paving will be installing a new curb along the **north side of Century Boulevard**, between Haverhill Road and East Drive. It is not anticipated that this entrance will need to be closed, but drivers may experience delays when portions of the right lane are closed to traffic.

EXCURSION BUS- On **Friday, April 14**, there will be an excursion bus trip to **Roth Farms in Belle Glade**. This excursion was planned out by the UCO Transportation Committee. Advance registration and payment is required. Please see the information flier that is appended to this report.

CV BUS SCHEDULES- For the convenience of CV bus riders, the current bus schedules can now be sent via email. Please send email requests to:

UCOMAINTEANCE@GMAIL.COM

EYE EXAMS, CV MEDICAL BUILDING- This week, Cano Health, located at the CV Medical Building, will host two eye exam events for the CV Community. A Optix Mobile van will be set up at the parking lot across the street from the Medical Building, and there will be other entertainment as well. The dates and times for these events are listed below:

Monday, January 30, 10:00 AM to 12:00 PM

Thursday, February 2, 10:00 AM to 12:00 PM

END OF REPORT

NORTH DRIVE- A DRIVER COLLIDED WITH A BICYCLIST ON 1/25. THE BICYCLIST WAS HOSPITALIZED WITH A BROKEN. PLEASE, DRIVE SLOWLY AND CAREFULLY INSIDE THE VILLAGE.
