Status: Closed Temporarily

Terms of Service:

~My turnaround time can range anywhere from six hours to six months, depending on complexity, my own availability, and my health. I am chronically ill and art is taking me longer now than it was. If I do not finish your commission before that time frame, you have the right to request a full refund and the commission will be canceled.

~I do not offer full refunds in any other circumstance than the one stated above. If you would like a partial refund, contact me before the final piece is completed, preferably before coloring begins. I will refund 1/3 of the initial cost.

Updated MAY 18th, 2024

~I will not give commissions to anyone under the age of 16. If you are ages 13-15, you may commission me with proof of parental consent. Anyone under 13 can not commission me. This is for the risk of parental money being stolen. If you use money without permission or lie about your age, I will not offer a refund and you will be added to my blacklist.

~I will change and edit your piece if requested, but if the final piece is completed and the finished file is sent when you ask for a change, I will not make the requested edits. All processes of the art will be sent to you and you will be asked if you want edits periodically, if you do not use the opportunities I give, it is under your own consequences.

~I will draw mild gore, NSFW (with proof of age), and some artistic nudity (breasts/nipples, muscle, body hair, etc.) Please ask me if you're not sure what you're commissioning is okay. I will be posting separate terms of service for NSFW commissions at a later date.

~I have the right to decline a commission if the character is too complicated, I feel uncomfortable with the request, or the character is out of my comfort zone.

Updated MAY 18th, 2024

~My waitlist is 5 people max. I will not accept any more commissions until a full waitlist is completed to avoid stress.

~Occasionally I will offer special commissions. These can include YCHs, discounts, con delivery, bases, etc.

If there is currently a special commission going on, an option below will either be added or highlighted.

***If you have read everything
above, you may commission me.
