

This, if it wasn't obvious already, is a callout post on boxed/elliott for grooming and overall inexcusable behavior around minors. to state, box is, at the moment, 29 years old.

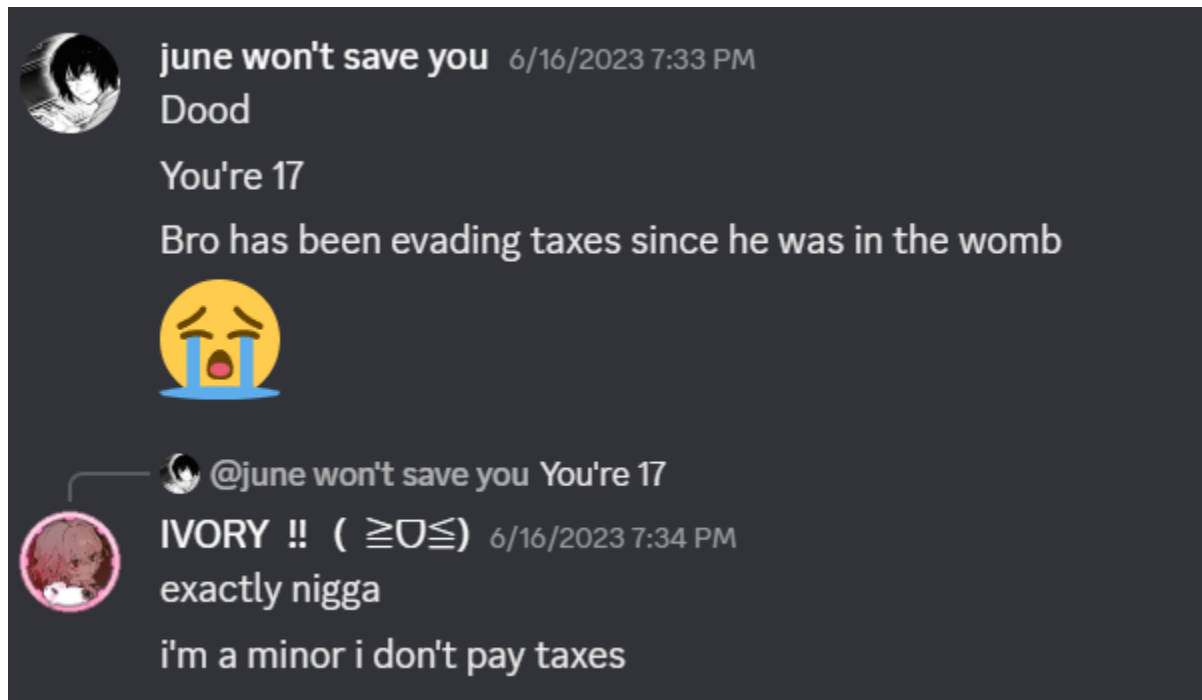

to start with, i am a victim of box's grooming. me and box had met when i was 17, and those that still knew me as 'dood' can attest to this. box, at the time, was in her mid 20s. initially, it was a regular friendship. however, not long after i turned 18, boxed immediately began making sexual/otherwise rancid comments regarding me. i reciprocated, considering i felt pressured, but after recent conversations, i've learnt this IS textbook grooming below, i've given screenshots of those that can personally attest to this information, with full permission to use these in this doc.

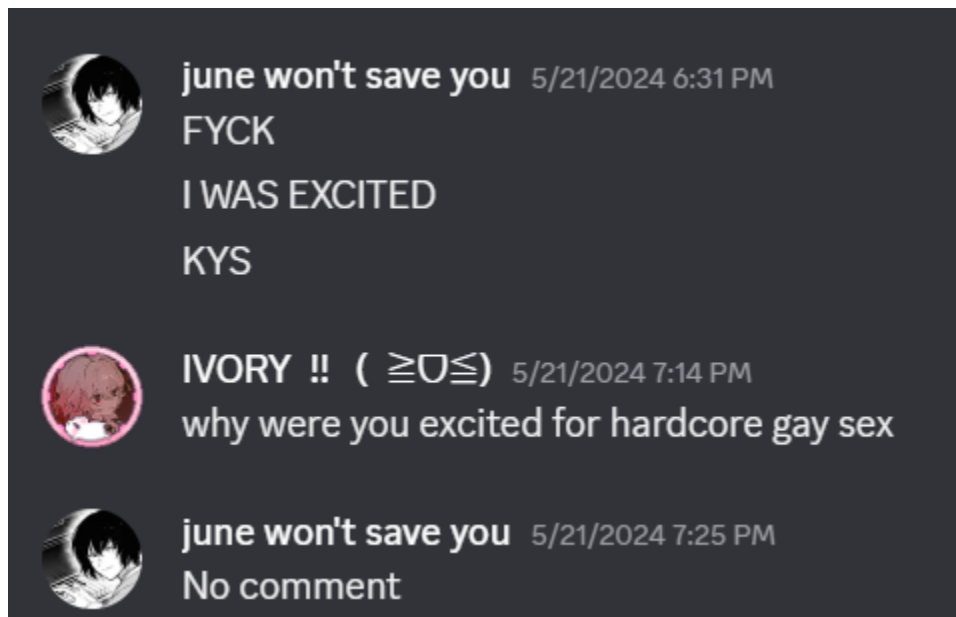

It kind of rubbed me the wrong way seeing the somewhat suggestive jokes being made with Ivy whom Boxed knew when she was only 17. Even if Ivy's now an adult, the age gap between those two is still concerning.

i've kept this repressed for quite a while.

proof me and boxed met when i was a minor:

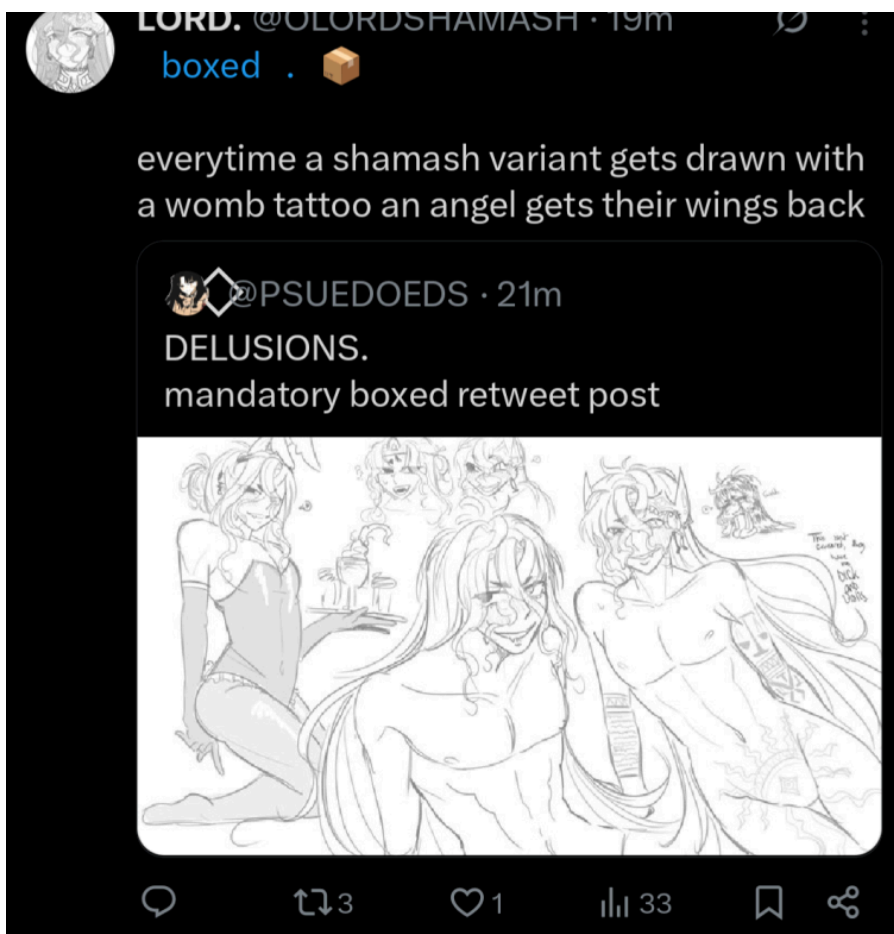

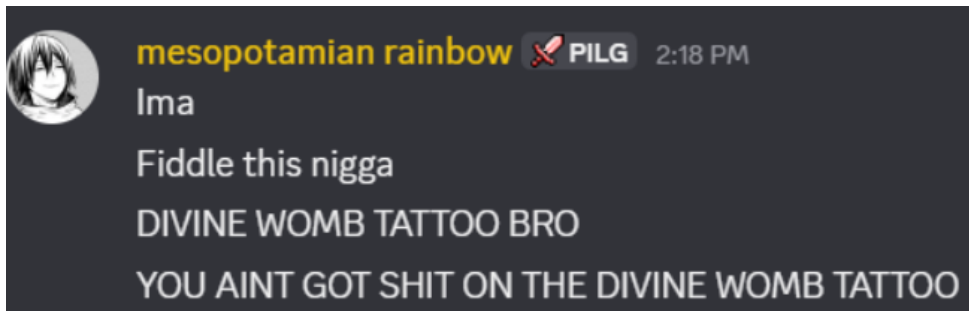

the earliest record i can find of any jokes/comments of the nature:

i'm nigh certain there's more that are earlier, but i can't find them.

once alone would be bad enough, but i have proof to show this isn't the first time something like this has happened.

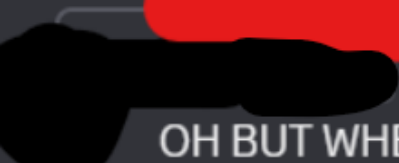

the second of the bunch, box allowing a minor to draw suggestive art in her presence and making remarks about it while said minor is there. the ishtar in the screenshot is only 16, and streamed the process of the art to boxed. boxed allowed this to happen, and completely ignored the suggestiveness of the art all to make remarks about it while the ishtar could see. an adult, especially one that is FULLY MATURED, should NOT be allowing a minor to draw and SHARE suggestive art (ESPECIALLY the bunny suit in specific) in an ADULT SPACE, and should especially not be making such remarks about a minor's art. do note, mesopotamian rainbow in these screenshots is boxed if it wasn't obvious.

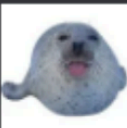

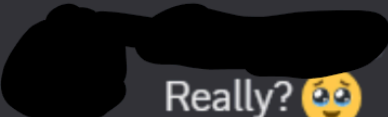

i truly wish that was the extent of it, but unfortunately, there remains a third case. someone that only recently turned 18, who wishes to be anonymous, has had boxed make numerous amounts of sexual jokes with them too, ones that they have expressed distinct discomfort with to me. the ones marked in red are those unrelated to this callout.

OH BUT WHEN I SAY IT ITS  U TURN 18 IN A WEEK

boxed, despite knowing this, still makes constant sexual jokes with said person, which is inexcusable, especially for her age.
