Council Member James Baker has served this City honorably over the past 16 years and the Rahway Democrats are proud of his service to our community. Although we have lost his wise and considered representation on Council, we are very pleased that Mr. James Baker will continue to serve the City that we love as Union County Commissioner.

Rahway Democrats are very pleased that the nominees for this position are lifelong Democrats who are active and respected in our community. Each would make an excellent Council Member.
