Note: Analyzing the results on the channel, it has been decided to change the last 5 shorts for 2 live shows since the live shows reach more views and currently generate more interaction in the community.

One of the interviews has been recorded but, due to technical problems in the equipment, we consider that the quality is not sufficient to be published publicly. You can see it [here](#) (since it is uploaded to the channel privately). Therefore, until we improve the equipment, we have decided to change the 2 interviews for 2 live shows. Interviews will be conducted and uploaded later.

These modifications give a negative balance to the channel of -380\$. This amount will not be requested from the treasury.
