

Heroes for Hire Translations 9/15 - 9/25

Translation Notes:

-Unfortunately, it is possible to receive different tsum-specific missions!!

= **How to Play** = (tutorial translation, same color coding as in-game)

Get the **Lockjaw tsum** and various items!

Gameplay 1) Collect medals (translated as COINS below) by challenging **missions!**

Gameplay 2) After collecting enough medals, **a battle will appear!** Win to **get rewards!**

Earn: **Luck10** Lockjaw for clearing Card 10, **Luck30** Lockjaw for clearing Card 15, **Luck50** Lockjaw for clearing Card 19, and **10** orbs for clearing Card 21.

You can receive various other rewards too!

Super rare missions) If you have special tsum, you can challenge **super rare missions** to **receive lots of medals!** (Throg)

** NOTE : You do NOT have to obtain specific tsums to complete any cards or events! **

The event is clearable without Throg, Ms. Marvel (Kamela Khan), etc. - it will just take longer, is all.

There is NO need to spend orbs to obtain specific tsums!

Good luck, everyone!!

** Translations are almost entirely **completed**!! Huge shoutouts to **MVP Gibbler** who contributed most of the screenshots and translation material, since I myself haven't finished the event yet (:

Due to the nature of the event, if you cleared different missions with lower coin values, it's possible that you might stumble upon more missions that aren't translated here - feel free to message me if you need a translation!

Thanks everyone! :]
