## Heatwave

Music by Tephe • Lyrics by Tephe, Itovero

English	Romaji	日本語
Spilling from the window screen That erratically burning sun While I turn my body away Asking it “what should I do today” While my trailing voice gets erased by my pillow	Amido kara koboreru Moetatsu hi ni Senaka wo muketesa “Kyou wa naniwo shiyoukana” Sono tsubuyaki ga makura de kesareta	網戸からこぼれる 燃え立つ陽に 背中を向けてさ 「今日は何をしようかな」 その呟きが枕で消された
Heat hazes imaging onto pure black While the cicadas ring around My thoughts getting im-pe-ded My vision getting melty Filling up, filling up (like a puddle)	Me ni eizuru kagerou Semitachi wa nari Shikou wa te-i-shi Shikai wa torokehajime Tamari tamari kobore ochiteiku	目に映ずる陽炎 セミ達は鳴り 思考はて・い・し(停止) 視界はとろけはじめ、 たまりたまりこぼれ落ちていく
As the loneliness quickly approach I grit my teeth with regret	Oshiyoseru sabishisani Koukai wo kamishimete	押し寄せる寂さに 後悔を噛みしめて
Annoying heatwave heatwave I am still sending you leftover warmth Annoying heatwave heatwave You disappearing away like the fireworks	Yana neppa neppa Watashi wa anatani mada yonetsu wo okutteruno Yana neppa neppa Anatawa hanabi no youni kieteiku	やな熱波熱波 私はあなたにまだ余熱を送ってるの やな熱波熱波 あなたは花火のように消えていく
Annoying heatwave heatwave I fade away like the sounds of the wind chimes It doesn't matter, matter Anyways, this feeling will go away with these heatwaves	Yana neppa neppa Fuurin to tomo ni watashi wa kasurete yukuyo Mou ikka ikka Dousesa kono neppa to isshoni icchaundayo	やな熱波熱波 風鈴とともに私はかすれてゆくよ もういっかいっか どうせさこの熱波と一緒にいっちゃうんだよ
Right?	Ne?	ね?
