AUTHOR CONTRIBUTIONS FORM

This form needs to be uploaded as a Supplementary File along with the original manuscript submission.

In order to qualify for authorship of the submitted manuscript, every of the listed authors should have made substantial intellectual contributions both to the research and to its preparation. Especially regarding the latter, an author should be involved in activities related to the following categories:

1. substantial contribution to the conception, research, data acquisition and analysis/interpretation;
2. collaboration in the preparation/revision of the submitted manuscript;
3. participation in reaching the approval for the publishable manuscript version;
4. ensuring a proper explanation to possible questions that could be raised regarding accuracy and scientific integrity of the submitted manuscript.

By submitting this form, the corresponding author accepts responsibility for having properly included all co-authors of the submitted article.

TITLE OF SUBMISSION:

AUTHORS: 1. _____
2. _____
3. _____
4. _____
5. _____

Please indicate each author's contribution(s) to the manuscript, by ticking (✓) the option.

Any relevant contribution not listed in the table can be added under "Other."

Role	Author's Initial				
	AB	CD	EF	GH	IJ
Research Conception/Design					
Data Acquisition					
Data Analysis					
Result Interpretation					
Manuscript Preparation					
Figure and/or Table Design					
Critical Revision of the Manuscript					
Other:					

Example on the final statement:

AB and CD were involved in conceiving and planning the research, EF and GH performed the data acquisition/collection, EF and IJ calculated the experimental data and performed the analysis, AB drafted the manuscript and designed the figures, CD aided in interpreting the results. All authors took parts in giving critical revision of the manuscript.
