

EnfysInfinity Master list of Scripts

These are my current collection of scripts I mostly write A4A Comfort and Reverse Comfort in modern Fantasy/Sci-Fi settings.

Feel free to use any of my scripts so long as you credit me and let me know you've performed them so I can listen to them!

A wolf and the witch of the woods

A young werewolf is caught in a bear trap as they are chased by hunters. They are rescued by the witch of the woods who proceeds to look after them. The staging directions refer to the wolf as 'male' but all the dialogue is gender neutral so can be played by anyone. This is a reverse comfort one and has quite a bit of distress, fear and screaming though as soon as the speaker is rescued by the witch they are safe (even if they don't believe it!) the Witch is genuinely trying to take care of them.

A Selkie Story – complete 3 part script

[\[A4A\] A Selkie Story COMPLETE Parts 1-3. \[Strangers to Friends\] \[Reverse comfort\] \[Caretaking\] \[Selkie Speaker. Human Listener\] : r/ASMRScriptHaven \(reddit.com\)](#)

The speaker is a lost Selkie who's coat has gone missing, the listener is a local artist who finds them hiding in a cave, takes them home and looks after them before helping them find their seal skin so they can return to the sea.

Lost in Space (12 Million Lightyears from Home)

[Lost in Space \(12 million light years from home- You rescue a terrified human lab rat \(Alien x Human\)\) \[Strangers to Friends\] \[Gaining Trust\] \[Dealing with Trauma\] \[Caring\] \[Wholesome\] : r/ASMRScriptHaven \(reddit.com\)](#)

This script gives you the choice of 2 roles, you can either be the Alien Rescuer or the Human Rescuee. The human has been held captive on board a smuggling space ship and treated like a lab rat. The alien rescuer frees them and cares for them. Both characters are can be NB, the human is never given a gender, the alien in the notes/stage directions is referred to as 'he' but can easily be played by any gendered VA.

What dwells within

[\[A4A\] What dwells within...Kind Alien rescues you and saves you from a parasite \[Alien x Human\] \[Platonic-Strangers to Friends\] \[Xenomorph parasite\] \[Caregiving\] \[Wholesome\] \[Hopeful Ending\] \[No listener death\] : r/ASMRScriptHaven \(reddit.com\)](#)

A kind alien is trying to help a human who has been forced into being face-hugged. They remove the chestbuster 'off screen' but there is a lot of comfort and reassurance

A voice from the past

[\[A4F\] 'A voice from the past' The Tome of Eternal Darkness tries to turn you to the dark side \[Evil Book x Human\] \[Book speaker- Human listener\] \[Attempted coercion\] \[Betrayal\] \[Hopeful Ending\] \[No listener death\] \[Based on the game Eternal Darkness: Sanity's Requiem\] : r/ASMRScriptHaven \(reddit.com\)](#)

This is specifically based on the GameCube game 'Eternal Darkness Sanity's Requiem' with the basic premise of what if the book from the game could talk? And it was evil? And it tried to convince the player character to join the dark side? This is my take on that idea for spooky season!

Cellar Surprise

[\[A4A\] Cellar Surprise Part 1 \[Modern Fantasy\] \[Rescuing a trapped Drider\] \[Drider Listener x Human Speaker\] \[Scared human speaker\] \[Angry & Upset Speaker\] \[Platonic\] \[Strangers to Friends\] \[Developing Found Family\] \[Past Abuse\] \[Comfort\] \[Care\] \[Establishing trust\] \[Younger Drider\] \[Very sweary!\] : r/ASMRScriptHaven](#)

The arachnophobe speaker has inherited this old house from their recluse of a Great Uncle who by all accounts was a garbage human. On their first day of ownership they hear strange cries coming from the cellar and go to investigate whilst berating themselves for being an idiot and clearly is going to be the first one to die in a horror film.

The Drider they find in the cellar has been badly abused by the Great Uncle, forcing them to make reels upon reels of silk for his fabric empire. The speaker has to over come their own fear to care for this terrified creature who sounds a lot younger than they are due being trapped in this dark, miserable cellar. They've only ever had the awful relative for company.

This script demands quite a bit of an acting range if you want a challenge! The speaker is by turns, terrified, furious, consoling and crying!

Oh, and they swear up a blue streak the entire time!

Unusual Quarry – Ongoing Vampire Hunter and New Vampire story, the Hunter is older and the vampire is younger. It's a platonic, found family, growing parent-child relationship themed piece with a wider story arc slowly emerging.

A seasoned, grizzled vampire hunter is clearing out a particularly vicious vampire nest when they discover a newly turned vampire who has no idea what's going on and they decide to spare them, there's just been too much death that night already...

Part 1

[\[A4A\] Unusual Quarry \[Vampire Hunter x New Vampire\] \[Platonic\] \[Eventual Enemies to Friends\] \[Eventual Found Family\] \[Reverse Comfort with a twist\] \[Establishing trust\] \[Older, experienced speaker\] : r/ASMRScriptHaven \(reddit.com\)](#)

Part 2

[\[A4A\] Unusual Quarry PART 2 \[Vampire Hunter x New Vampire\] \[Platonic\] \[Strangers to Friends\] \[Developing Found Family\] \[Getting to know each other\] \[Comfort\] \[Establishing trust\] \[Older, experienced speaker\] : r/ASMRScriptHaven \(reddit.com\)](#)

Part 3

[\[A4A\] Unusual Quarry PART 3 \[Vampire Hunter x New Vampire\] \[Platonic\] \[Strangers to Friends\] \[Developing Found Family\] \[Establishing friendship\] \[Care\] \[Establishing trust\] \[Older, experienced speaker\] : r/ASMRScriptHaven \(reddit.com\)](#)

Part 4

[\[A4A\] Unusual Quarry PART 4 \[Vampire Hunter x New Vampire\] \[Platonic\] \[Strangers to Friends\] \[Developing Found Family\] \[Establishing friendship\] \[Danger\] \[Violence\] \[Comfort\] \[Care\] \[Establishing trust\] \[Older, experienced speaker\]\[Developing Plot\]\[Ongoing storyline\] : r/ASMRScriptHaven](#)

Part 5

[\[A4A\] Unusual Quarry PART 5 \[Vampire Hunter x New Vampire\] \[Platonic\] \[Strangers to Friends\] \[Developing Found Family\] \[Established friendship\] \[Reflection\] \[Lore\] \[Comfort\] \[Care\] \[Established trust\] \[Older, experienced speaker\]\[Ongoing storyline\]\[Speaker is becoming like a parent to the listener\] : r/ASMRScriptHaven](#)

Feel free to use any of these, hopefully you find the different challenge you're after! I'd love to know what you think, I've only been writing these since August time!
