JOURNAL

As you may have heard at the conference, eLCC started an open access journal called The Liminal: Interdisciplinary Journal of Technology and Education through the University of Denver last year. We invite you to read and use the material from Volume 1 Issue 1.

<https://digitalcommons.du.edu/theliminal/vol1/iss1/>

We currently have a CFP open and you are invited to submit articles and book reviews.

<https://digitalcommons.du.edu/theliminal/> The upcoming issue focuses on Smart Cities in Higher Education but our book review CFP is open to all books on technology, and technology in education. 2020 List of Books <http://bit.ly/2020listofbooks>

We'd like your input for topics and books for upcoming issues - google form
