

The Legacy Project

By Olivia McMahon

Today I will be interviewing Grade 8 students about the legacy project.

“What is the legacy project?”

“It is something that we make that will be passed down for people to see.” -Sydney

“Who is doing the legacy project?”

“8th grade art students are welcome to do the legacy project.” -Lilly

“What are the options for the legacy project?”

“Well 8th graders can either paint a stool, tile or mural.” Amber

This year Mrs. Spies extended tiles and stools to more grades.
