

Dear Parents and Students!

Welcome to the program! I am very much looking forward to this year. There are so many great opportunities for our singers. Stay tuned for much more information in the days to come.

JAZTECS

There is no 0 hour tomorrow. Please enjoy the few extra minutes to get to school, see your friends, and get to 1st period on time. We will meet on Thursday 6:20am sharp!

SCHEDULES

If the incorrect choir is on your schedule, we will fix it in the days to come. However, You must go to the classes on your schedule on the 1st day, even if it's incorrect. I apologize for any confusion or inconvenience. This is typical at this time of year. Stay calm! We'll get it corrected!
