14. Procedures for admission of students to other years and during the school year

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

In the interests of the continuity of student education, it is the policy of the Board of Management of Ardkeenán to discourage transfer of students from other schools, other than in certain exceptional circumstances (e.g. change of residence or family moving into the area). It is a matter for the Board of Management to determine if such 'exceptional circumstances' exist on a case by case basis. The reason(s) for requesting a transfer must be stated clearly on the enclosed application form. The Board of Management will issue a reply to this application within 21 days of receipt of same.

Applications for enrolment under this category will be assessed by referring to the following criteria:

- (1) Do exceptional circumstances exist in this case.
- (2) Is the transfer in the best interest of the applicant;
- (3) Is the transfer in the best interest of the students/staff of Ardkeenán N.S.
- (4) Is the transfer of educational benefit to the applicant;
- (5) Is the transfer accompanied by all relevant information from the applicants previous school(s)
- (6) Has the child resources in the current school

The Board of Management reserve the right to consult with all agencies involved with the applicant, including other schools attended by the applicant and (where necessary) Túsla, Special Educational Needs Organiser, National Educational Welfare Board and An Garda Síochána.

In considering such criteria, the Board of Management, cognisant of the rights of the applicant and those of current students and staff, reserve the right to refuse to enrol [even in exceptional circumstances] on grounds where;

- (1) Places are not available at the class level sought by the applicant.
- (2) Availability of appropriate special needs resources do not exist in the school.
- (3) Availability of appropriate accommodation to meet the child's needs does not exist in the school
- (4) Following consultation with all relevant parties, the needs of the applicant would be best served in an alternative setting.
- (5) An established prior record of poor behaviour exists.

Where the Board of Management is unable to offer a child seeking a transfer a place in the school, due to restriction of numbers, the child will be placed on a waiting list. The child's position on the waiting list is determined by the date of application. When a place becomes available, it will be offered in terms of the date on which the application is made, taking cognisance of the above criteria.

15. Declaration in relation to the non-charging of fees

This rule applies to all schools.

The board of Ardkeen N.S. or any persons acting on its behalf will not charge fees for or seek payment or contributions as a condition of-

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

Note: Exceptions apply only in relation to fee charging post primary schools, the boarding element in Boarding Schools and admission to post leaving cert or further education courses run by post-primary schools.

16. Arrangements regarding students not attending religious instruction

This section must be completed by schools that provide religious instruction to students.

The following are the school's arrangements for students where the parents have requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students:

A written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s) to discuss how the request may be accommodated by the school.
