September 11th, 2026

Dear Parents and Guardians,

I hope your school year is off to a fantastic start! It's been a pleasure seeing both new and familiar faces at Millers Run.

We're happy to announce that our school will once again be partnering with **H.O.P.E. in Lyndonville**, a local nonprofit organization that provides **weekend food bags** for students. These bags typically include items such as pasta and sauce, peanut butter and jelly, canned tuna or chicken, granola bars, and other snacks that can be enjoyed throughout the week.

To be eligible for this program, your child must qualify for **free or reduced-price school meals**, based on the paperwork submitted at the beginning of the year.

- If your child participated in this program last year, they will **automatically be re-enrolled** unless you notify us otherwise.
- If your child did *not* receive food bags last year but you would like to sign up this year, please contact us and we'll be happy to assist you.

If anyone in your household has **food allergies**, please let us know. H.O.P.E. will do their best to provide appropriate accommodations.

Thank you for your continued support. We're looking forward to a great year ahead!
