

20 castaways from various universes are heading to Greece, an island located in Europe. They are here to fight for their lives in a game of outwitting, outplaying, and outlasting the others in order to win \$1,000,000. Heading into the game, some of them already have some strategies.

Hermione Granger-I gonna conjure up a plan for success and plan to stick to it.

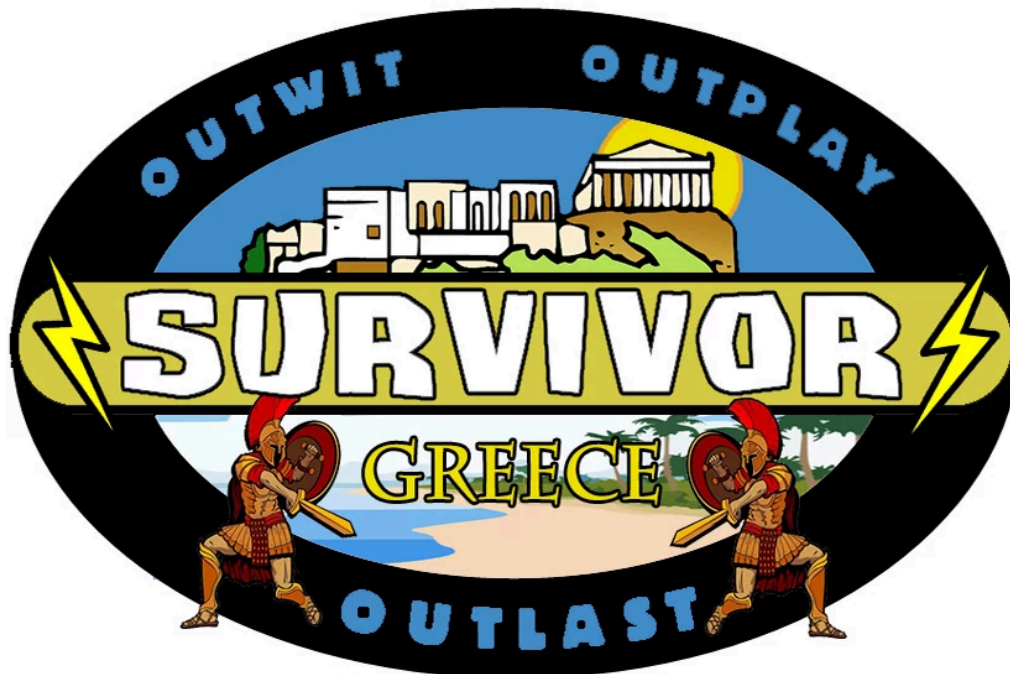

Scrooge McDuck-I am the richest duck in the world, I don't need the money, I am just here to explore this game and see how far I go. A \$1,000,000 would be nice though.

They will have to learn to adapt, or be voted out of the tribe.

It is Day 1 and the castaways are seen riding boats to their camps.

Day 1- Hesiod

Wow, look at how amazing this island is!

Hey gals, there's a note on the tribe flag.

Tem knot kno howe tu reed

Step aside, I've got this. It says

You've arrived to your camp.
Congratulations, you've made it.
To survive 39 days, you'll have to
work for that spot there first.
To make things easier, you will see.
Find this advantage, inside a tree.

I think that means we need to look in a tree somewhere.

*CONF-I don't think that we needed a genius to figure that out.
Boy I hope I am not on a tribe of dumbos.*

If you guys don't mind, I'm gonna go fetch some water. Anyone wanna tag-along?

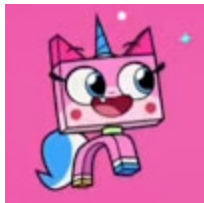

I'll gladly tag-along!

Ok then, let's go.

Christina and Monomi head off to the well

I wonder what we should do?

I say we should get started on the shelter.

I know how to start a fire, I can get started on that. I just need some people to get me some leaves and wood.

I can go get those things if you need to.

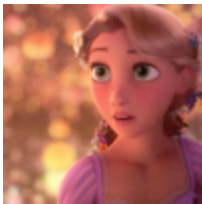

I'll help carry things with you May.

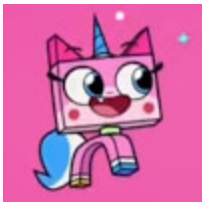

I am getting wood for shelter. Someone can get palm fronds.

Tem geht pallm frahwns.

I can help you Temmie.

I'll go get the leaves for the fire.

I guess I'll go get some firewood then.

Scene transitions to Christina and Monomi getting water.

So, why'd you want to go along with me?

Personally, I am just very thirsty. Why did you ask? Is there something wrong with me tagging along?

No. I just wanted to know why.

Oh, ok!

CONF-To be honest, I truly didn't want anyone to come along with me. I wanted to start looking for that advantage. I'll just have to look later.

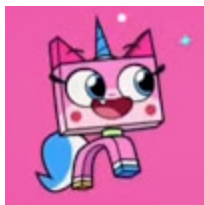

CONF-Christina seemed to be nervous around me. I know we just met and all, but I don't think I am scary, am I?

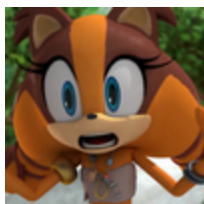

Scene transitions to May, Sticks, and Unikitty returning the stuff for Hermione

Ok, I'm back with the extra branches.

I got the leaves!

And I have the firewood.

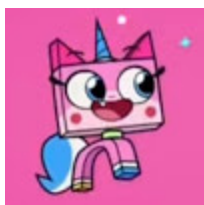

Ok then. Here we go

Hermione lights the fire

Ok this should keep us warm for a little bit.

That's awesome!

I'll grab more things.

CONF-I was preparing to make my move. I would say I would grab stuff for the fire ...

I'll go along with you.

CONF. CONT-And then this happens, great. I'll just have to look later.

Day I-Pericles

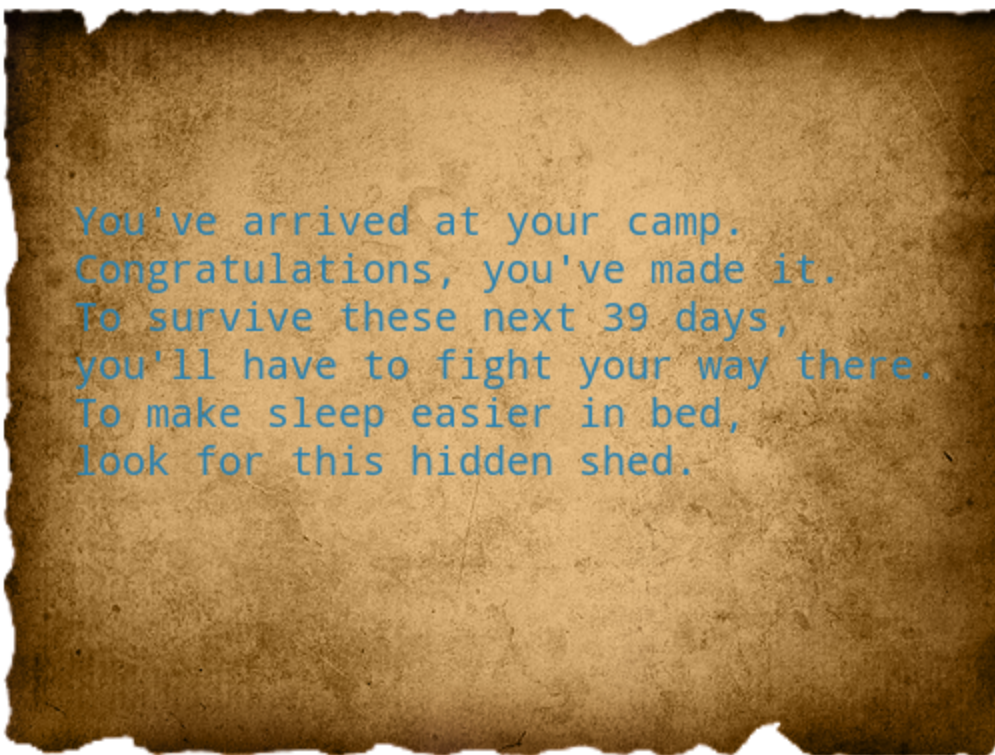

We're here guys!

Gonta see paper.

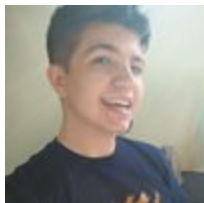

I can read it. It says

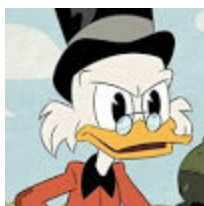

You've arrived at your camp.
Congratulations, you've made it.
To survive these next 39 days,
you'll have to fight your way there.
To make sleep easier in bed,
look for this hidden shed.

Eh, who cares about advantages?

Not me.

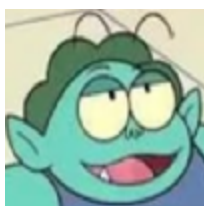

Ok, so what do we do now?

How 'bout we make a shelter. I don't want to sleep on the ground tonight.

Good idea Bruno.

I am strong, so I can carry the wood.

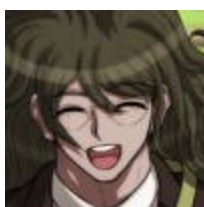

I'll start working on the palm fronds.

Everyone on the tribe seems to have a job, except for Curtis

What should I do?

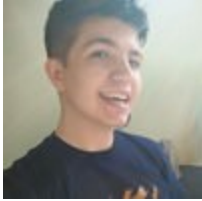

Gonta don't know, Gonta helping friends build shelter.

CONF-Gonta feel bad for friend Curtis. He doesn't have a job to do. Gonta hope he feel better.

Commercial Break

Day 2-Pericles

Anyone up for a game of tossing a coconut?

I'm good.

It is another hour or so until four more people wake up

**yawns* Ugh, that was some good sleep.*

I wish I could go back to sleep.

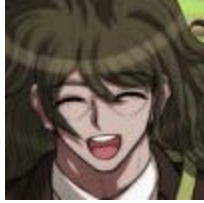

Sleeping for too long is not good.

I feel rejuvenated.

Shortly After

Good morning friends!

Not gonna lie, was about to punch the air.

Can, y'all keep it down, some people are just now waking up.

I'm up, you can yell now.

Marco and TJ sneak away from the group

Hey TJ.

What's up.

I feel like we need to be allies to make it further in the game.

Yeah, I agree. Let me guess. You want us to be allies.

That's right.

Ok, that is fine by me.

We better get back to camp soon. We don't wanna get spotted together.

Sounds good to me.

CONF-I want to trust Marco, but paranoia is already setting in and I don't know whether or not I should trust him. For right now, I just gotta hope we win the challenge.

CONF-I like TJ. He seems like a cool, calm guy. Right now, I think two is a good starting point and we can work our way up the ladder.

Day 2-Hesiod

CONF-I wanted to start looking for the advantage today. I know it is only Day 2, but an advantage is an advantage and I want to see myself at the end.

Sticks began searching for the advantage

What's this little sucker?

Sticks untangles a little tiny packages

Congratulations, you have found a hidden immunity idol. This allows you negate all of the votes cast against you and the person with the next most amount of votes will go home. To play this advantage, tell Jeff you would like to play it before the votes are read.

WOW!

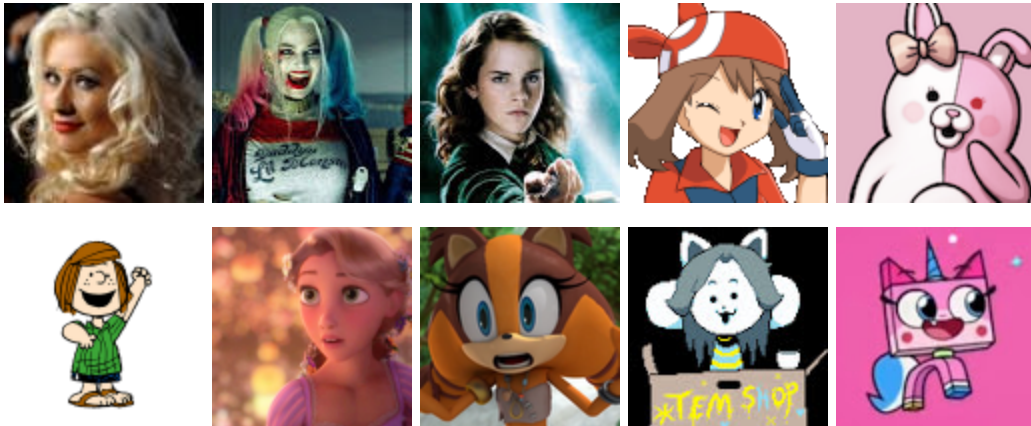

CONF-I have been searching for 4 hours and this little puppy came out of nowhere, so the advantages of waking up early are great. Now, we just got to wait it out from here.
