Brookline Youth Soccer Association (BYSA) provides organized youth soccer activities for over 400 children and youth each year across the neighborhoods in South Pittsburgh. Our league offers in-house teams in the fall and spring for all ages, and travel teams in conjunction with PA West in the spring.

It is through the generosity of our sponsors, like you, that enables BYSA to operate at this high level of excellence. You only need to attend one of our Sunday games during the spring or fall season to see your worthwhile contribution in action.

Current sponsorship opportunities include:
