Boyertown Optimist Football Program

2026 Sponsorship Opportunities

For more than 70 years, the Boyertown Optimist Football Program has proudly served youth in our community, offering a safe, supportive, and fun environment for children in kindergarten through 6th grade. Participation continues to grow each year, with over 350 players in recent seasons, supported by a dedicated team of volunteers.

As we prepare for the 2026 season, we are seeking community sponsors to help offset costs such as player safety equipment, field preparation, and registration assistance for families. Your support directly impacts the success of our program and the experience of every child who participates.
