VP of Finance's Report – Gabriella Gutiérrez

- Beta Theta Pi Speaker Event (\$8000.00): Ethan Kirby
 - o Beta Theta Pi is coming to the Student Government Association to request funding for their annual speaking event. This event will focus specifically on leadership, a cherished value that Elon University successfully implements within its mission. The event speaker will be Alex Webber, and he will give his speech November 15, 2023, from 8:00-8:30 PM. Webber is a very distinguished motivational speaker and has been featured on the TedTalk series. This event is open and inclusive to all students.

o Questions

- Agulnek – What is the expected turnout? **250 to 400 people. The event will hopefully be held at the Alumni Gym.**
- Hall – What are things that you feel could be better this year, compared to last year? What are your new expectations? **Beta Theta Pi wishes for greater attendance, their primary goal is to reach out to the larger student body.**
- Nickel – What is the official title of the event? Will other organizations be recognized for sponsoring the event? **The title of the event is Unstoppable Leadership. While it will be a Beta planned event the other organizations will be listed as sponsors of the event.**
