

Privacy Policy

This privacy policy applies to the SlimAura Edition app (hereby referred to as "Application") for mobile devices that was created by (hereby referred to as "Service Provider") as a Free service. This service is intended for use "AS IS".

Information Collection and Use

The Application collects information when you download and use it. This information may include information such as:

- Your device's Internet Protocol address (e.g. IP address)
- The pages of the Application that you visit, the time and date of your visit, the time spent on those pages
- The time spent on the Application
- The operating system you use on your mobile device

The Application does not gather precise information about the location of your mobile device.

The Application uses Artificial Intelligence (AI) technologies to enhance user experience and provide certain features. The AI components may process user data to deliver personalized content, recommendations, or automated functionalities. All AI processing is performed in accordance with this privacy policy and applicable laws. If you have questions about the AI features or data processing, please contact the Service Provider.

AI Features & Data Processing

The Application uses AI-powered features including photo enhancement, hairstyle generation, and makeup generation. When you use these features:

- Your photos are transmitted to a third-party AI provider (Google Gemini) for processing
- Processed data is not retained on our servers after processing is complete
- The third-party AI provider (Google Gemini) may process and handle data in accordance with their own privacy policy
- Processing by the third-party AI provider may take place on servers located outside your country of residence

You will be asked to provide explicit consent before using any AI features for the first time. If you decline, AI features will not be available, but all other features of the Application will continue to work normally.

Face Data Processing

We may process user-provided photos containing faces, including visible facial features ("face data").

This data is used solely to provide app functionality such as visual transformations, including hairstyle changes, makeup application, and other enhancements.

Photos containing face data are transmitted to a third-party AI provider (Google Gemini) for processing in order to provide the app's core functionality.

We do not store face data after processing is complete.

Third-Party AI Data Retention

Google may temporarily retain submitted data for a limited period for the purposes of providing the service, ensuring security, and preventing abuse. According to publicly available information about Google AI services, such data retention may last up to 30 days. According to publicly available information, Google may use data to improve their services unless data usage is restricted by API configuration. We do not enable features that allow training on user-submitted content where such controls are available. Google processes data in accordance with its Privacy Policy: <https://policies.google.com/privacy>

We do not knowingly allow third-party providers to use face data for identifying individuals.

Face data is not used for biometric identification or user recognition.

The Service Provider may use the information you provided to contact you from time to time to provide you with important information, required notices and marketing promotions.

For a better experience, while using the Application, the Service Provider may require you to provide us with certain personally identifiable information. The information that the Service Provider request will be retained by them and used as described in this privacy policy.

Third Party Access

In addition to the AI-related data sharing described in the "Face Data Processing" section above, aggregated and anonymized data may be periodically transmitted to external services to help improve the Application. This does not include photos or face data, which are handled exclusively as described in the "Face Data Processing" section.

The Service Provider may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when they believe in good faith that disclosure is necessary to protect their rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with their trusted services providers who work on their behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

Opt-Out Rights

You can stop all collection of information by the Application easily by uninstalling it. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy

The Service Provider will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. If you'd like them to delete User Provided Data that you have provided via the Application, please contact them at work@andrewadamsby.space and they will respond in a reasonable time.

Children

The Service Provider does not use the Application to knowingly solicit data from or market to children under the age of 13.

The Service Provider does not knowingly collect personally identifiable information from children. The Service Provider encourages all children to never submit any personally identifiable information through the Application and/or Services. The Service Provider encourage parents and legal guardians to monitor their children's Internet usage and to help enforce this Policy by instructing their children never to provide personally identifiable information through the Application and/or Services without their permission. If you have reason to believe that a child has provided

personally identifiable information to the Service Provider through the Application and/or Services, please contact the Service Provider (work@andrewadamsby.space) so that they will be able to take the necessary actions. You must also be at least 16 years of age to consent to the processing of your personally identifiable information in your country (in some countries we may allow your parent or guardian to do so on your behalf).

Security

The Service Provider is concerned about safeguarding the confidentiality of your information. The Service Provider provides physical, electronic, and procedural safeguards to protect information the Service Provider processes and maintains.

Changes

This Privacy Policy may be updated from time to time for any reason. The Service Provider will notify you of any changes to the Privacy Policy by updating this page with the new Privacy Policy. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

This privacy policy is effective as of 2026-03-19

Your Consent

By using the Application, you are consenting to the processing of your information as set forth in this Privacy Policy now and as amended by us.

Contact Us

If you have any questions regarding privacy while using the Application, or have questions about the practices, please contact the Service Provider via email at work@andrewadamsby.space.
