

## PLANNING GUIDE

### **Preparation: Watching the teacher's lesson and choosing teaching clips**

#### **Review:**

- Teacher's learning goals?
- MQI code(s) to focus on:
- Action steps from the previous coaching session(s):

#### **Watching the video clip:**

- Brief summary of the lesson (including teaching point)
- Reason for selection:

#### **Clip-Planning Notes:**

- MQI Code and its relation to teacher learning goal(s):
- Description of clip using MQI code-language:
- Question(s) to explore with teacher:
- Prompts to ask teacher to focus on reason for selecting this clip:
- If the teacher's description varies from your own, what are some generative questions you might ask to guide their thinking?
- What might this clip look like elevated on the MQI code(s) of focus?
- What are some specific action steps the teacher might make to achieve this elevation? What questions will you ask?
