Dear Student Organization,

April is Sexual Assault Awareness Month, and the Student Advisory Committee of the [Sexual Assault Prevention Program \(SMPP\)](#) at UMN-TC is working to build awareness about sexual misconduct resources on campus. We are reaching out to organizations, departments, colleges, and units with the recommendation to include sexual misconduct response resources on webpages to help us achieve our goal.

Are you able to add [this brief list of resources](#) to your webpage?

<specify location or suggestion to add a tab called Resources>

Together, we can change the culture to prevent sexual misconduct and support survivors. Thank you for considering our request. Please let us know if you have any questions or concerns.

Thank you,
