Term 4 Week 5 - Monday 9th November 2020

Dear Parents and Caregivers

Last week was **super busy** with some students out of the classroom for three days with athletics, matharapa and cricket! We also had football coaches working at school teaching skills to the students.
Congratulations to all our **mathletes** for their hard work in the competition and special thanks to Heather, Adam, Michelle and Vanessa for helping out with transport. Without transport help we are limited as to which activities we can take students to.
I worked out over the weekend that we have just **27 days left** at school this year and an awful lot of events and school work still to get through! It is super important that everyone maintains the **A1 standards** of behaviour and effort right until the end.
Year 8 students have their **graduation dinner** on **Thursday 3rd December** so please keep this date free if you are in this group as well as the whole school being available for prizegiving on Monday 14th December. This is when reports are handed out and we celebrate success, effort and attitude and are rewarded with a lunchtime finish the next day.
Our big upcoming charity event is **Pack the Bus.** They will be visiting us on **Friday 4th December.**

The goal is to try and completely pack a bus with gifts and food from the community to be distributed to families in need this Christmas. The bus will arrive at St Mary's at approximately 2.30pm.

If you would like to bring a gift please take note of the following;

- Please leave gifts unwrapped so that they can be given to the appropriate people.
- Please provide only new items, no used items please.
- Gifts are required for children, teens and adults.
- Non-perishable essential food items and Christmas food items are appreciated.
- Baby toys, toiletries, books, construction toys (Lego/Meccano), art equipment, educational toys, puzzles, diaries/calendars, board games are suggested gifts.
- If a toy requires batteries, please provide them so that the toy can be played with once received.

Thank you in anticipation for helping to spread a little cheer this Christmas.

Lonestar Girls Cricket Thursday 56-53 win over Hadlow. Very enjoyable game, playing against our teammates from earlier in the season. We bowled really well and restricted Hadlow, Kate got the first wicket, well caught by her sister, then Tessa clean bowled the other Hadlow opener. The crucial wicket was taken by Claire with a good catch by Maggie again, getting Ava Register. We also had run out. Our batters had partnerships of 4 overs Maggie and Tara got us off to a good start, Nieve and Jessie continued, Tessa got cleaned up by Ava while Emily had some strong hits. Maizie Thomas hit the only 4 of the match and Kate and Claire brought us home. Great effort considering the girls had been at the World Cup tournament at Rathkeale all day. This week Gladstone at Carrington Park.
