

Retired Bay County 18th Circuit Court Judge Harry Gill has endorsed Jim's candidacy. Please take a moment to read Judge Gill's remarks:

"I enthusiastically endorse the candidacy of James Perry for District Judge. Jim is a very bright and capable lawyer. I know this because of my experience handling cases with him while I was in private practice and later when he appeared in my court while I was on the Circuit Court bench. Jim was always well prepared. Jim was innovative in his arguments on behalf of his clients. Jim has judicial experience having served as a magistrate in District Court and as a referee."

"I admire Jim's even temperament and his high integrity, qualities that are essential to a good jurist. In my judgment James Perry is extremely well qualified to be elected as District Judge, because of his extensive legal experience, his integrity and his temperament."

Hon. Harry Gill, Retired 18th Circuit Court Judge for Bay County
