

Group Volunteer Availability

Thank you for your interest in volunteering with the Charles River Conservancy (CRC)! Our volunteer events are a great way to get outside, learn more about the Charles River, have fun working with friends and coworkers, and help restore the centerpiece of Greater Boston's urban park system.

The CRC hosts volunteer groups in the parks from Cambridge to Watertown Square. Location and projects vary based on maintenance needs, time of year, and group size. Volunteering at the parks can look like: litter pickup, invasive plant management, painting benches, caring for garden beds, mulching, and raking leaves.

Reserve Your Day:

Volunteer days typically take place on **Wednesdays, Thursdays, and Fridays**. View below for available dates. You may also contact Sasha at svallieres@thecharles.org to request additional dates and times that work best for your company or group.

To schedule a community service work day for your group or business, contact CRC Stewardship & Volunteer Program Manager **Sasha Vallieres** at svallieres@thecharles.org. Events book quickly, especially in the spring and fall, so please reach out at least one month before you would like to schedule an event.
