

1. Fold in half at 4-1/4" a 5-1/2"x8-1/2" piece of Daffodil Delight cardstock.
2. Adhere with Multi Purpose Liquid Glue a 5-3/8"x4-1/8" piece of Pleased As Punch Designer Series Paper (DSP) to card base.
3. Wrap Daffodil Delight Ruched Ribbon around card and tie in a bow.
4. Punch out flowers from Mango Melody, Petal Pink, and Coastal Cabana cardstock using Small Bloom Punch.
5. Lay flowers on Stampin' Pierce Mat. Use retracted tip of a ball-point pen or a pencil eraser to press down in the center of each flower. Scrunch up flowers several times using your hands until they become soft and you get your

desired texture. The softened cardstock layers may even begin to separate, but that just adds to the look!

6. Use Multi Purpose Liquid Glue to adhere all but one flower down left card edge. Reserved flower is for the sentiment.
7. Cut two 2-¼"x1/2" pieces of cardstock, one Petal Pink, the other Granny Apple Green. Glue Granny Apple Green piece to card with Multi Purpose Liquid Glue.
8. Stamp sentiment in Coastal Cabana ink on Petal Pink piece. Adhere to card with Stampin' Dimensionals, slightly off-setting it with the Granny Apply Green piece.
9. Add reserved flower to sentiment with Multi Purpose Liquid Glue.
10. Use Take Your Pick Tool to add Rhinestones to flower centers.
