

Practice Schedule

Fall Practice 2024 - running from Week of September 2nd - Week of Nov. 11th (Wednesday, Thursday)

Wednesday

4:30 - 6pm / Central Park Great Lawns

Thursday

4:30-6pm / Central Park Great Lawns

IN THE EVENT OF GREAT LAWN CLOSURE:

At times they close the Great Lawn either to cure the field (without prior notice to the public) or for baseball games that have permits on specific days.

When this is the case we will meet at the smaller patch of grass as we did last year which is by the swings and bike path. Location picture will be on Whatsapp.

On any given time when we move from the original location, I will send the location on Whatsapp, I will always get it out by 2pm.

Please give your child's caretakers my cell phone as well as Nick's who will be updated on any changes, so those of you at work don't have to be interrupted. I will be keeping my ringer on during those times. Please let your sitters know if they have any trouble, give me a ring.

My (Eric) cell phone: 845-820-2422 (call mine first)

(Last Week of June - Last week of August)

The Updates on this doc for this season will be done one week before the season starts.

Summer Camp:

I would like the Players to have at least 2 weeks of training with each other for a team boot camp.

The last week of June, first week of July, and the last 3 weeks of August there will be camp. The goal would be that all team members are able to make it to these, it would help us cover a lot of ground.
