Notices to Parents for the Entire School Year:

Student Folders

To help organize your child's learning materials and to keep you updated on classroom progress, students will use **three** specific folders throughout the school year. Please read the following guidelines carefully:

1. Friday Folder (Homework Folder)

- This folder is for all assigned homework of the week.
- Students should hand this folder only on Fridays, so that homework can be checked and returned.

Example for this week:

- **Math Homework:** Complete the assigned pages (1& 2) in the *My Math Path Workbook*.
- **Journal Homework:** Write a sentence starting with "*I like ...*" in the journal notebook and then repeat it four times.

Both items (Math workbook and journal notebook) should be placed in the Friday Folder and handed in this Friday.

👉 While homework is handed on Fridays, students are encouraged to complete their assignments gradually throughout the week (as outlined in the Homework Table), rather than leaving everything until the last minute.

2. Worksheets Folder

- This folder will hold all worksheets completed in class each day.
- Students will take this folder home daily so that parents can:
 1. Review what has been taught in class.
 2. Help their child complete any unfinished worksheets.
 3. Monitor their child's learning progress.

Parents are kindly asked to remove all worksheets daily and return the folder empty, so it is ready for new worksheets the next day.

3. Test Folder

- This folder will contain all test papers and class assessments.
- It is designed to inform parents about their child's performance and progress.

Example for this week: No tests were conducted, so the Test Folder will remain empty.

Note:

- The spelling test notebooks will remain in the classroom to ensure they are always available for use. Students will take them home at the end of the year.
- Test results will also be shared separately with parents in a hard copy letter every Monday, so you can track your child's performance.

Student Notebooks:

1- Journal Notebook for journal homework: Your child must write a sentence {for this week a sentence that begins with “*I like ...*” (e.g., “*I like cats*”)} and repeat it four times. Journals should be written on the lined section of the journal notebook, with a matching drawing on the blank section (e.g., a drawing of a cat).

Writing instructions: Begin with a capital letter, leave spaces between words, and end with a period.

2- Spelling Notebook for spelling test: Please make sure your child practices all words (1–10). The spelling test will be conducted in the *spelling test notebook* on Fridays.

Your cooperation in maintaining these folders will help ensure smooth communication between home and school, while also supporting your child’s organization and learning success.
