**Why did you want to watch this show? How did you hear about it?
What grabbed your attention?**

I wanted to watch this show because I am into comedy and like watching funny shows. I heard about it from my mom that loved Friends. What grabbed my attention was how they were always there for each other no matter what.

How many seasons does this show have? What season(s) did you watch?

Friends has ten seasons. I watched all ten.

Without spoiling too much, what is this show about? What interesting details can you tell us about it?

Friends follows the everyday lives and relationships of six young adults in Manhattan, focusing on their friendships, careers, and romantic interests, with a lot of humor and heart.

Who are the main characters? Who was your favorite character and why? What makes them interesting?

Monica, Chandler, Joey, Ross, Phoebe, and Rachel. What makes them interesting is how they have each other's backs and how some of the friends end up together in the end and have flings throughout the seasons. My favorite character was Joey because he was the funniest one who had like a dumb funny sense of humor that kind of is like me. He also loved pizza and sandwiches just like me.

Does this show remind you of any other type of show you've watched?

It does not remind me of any other show I have watched.

Is this show a book-to-TV adaptation? If so, what is the name of the book and author? Have you read the book?

It is not a book to TV adaptation.

Who would you recommend this show to? What type of person would enjoy this?

I would recommend this show to anyone who likes watching adult kind of comedy and everyday lives of people. Someone who has a

good sense of humor and likes feeling emotional sometimes would enjoy this.

What are your thoughts on the cover? Do you think the cover fits what the story is about?

It is the six friends and I like it. It fits the show perfectly since it is all about the six friends.

Any other thoughts about the show?

No other thoughts just that it is a great show and I recommend it!
