

Privacy Policy for [Property Tracker]

Introduction

At Remart we value your privacy and are committed to protecting your personal information. This Privacy Policy outlines how we collect, use, and safeguard your data when you use the Property Tracker Chrome extension.

Information We Collect

When you use Property Tracker, we collect the following information:

- **Email Address:** We collect your email address to associate saved property listings with your account.
- **Property Listing URLs:** We collect the URLs of property listings from bina.az that you choose to save.

How We Use Your Information

The information we collect is used solely for the following purposes:

- **Account Association:** To link saved property listings to your email address, ensuring they are accessible to you.
- **Service Improvement:** To enhance the functionality and user experience of the extension.

Data Sharing and Disclosure

We do not sell, rent, or share your personal information with third parties, except as necessary to provide the services offered by the extension or as required by law.

Data Security

We implement industry-standard security measures to protect your information during transmission and storage. Your email address and property listing URLs are transmitted securely and stored within the extension's local storage.

User Rights

You have the right to access, update, or delete your personal information at any time. To exercise these rights, please contact us at [Your Contact Email].

Changes to This Privacy Policy

We may update this Privacy Policy periodically to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will notify you of any significant changes by updating the "Effective Date" at the top of this policy.
