2023 Account Forms

Each year the Scout Store updates the names on your Unit Account. **Please fill out the reverse side of this form and return it to the council by fax, email, or mail. If there are no changes that need to be made please make sure that you still fill out this form and return it so that we may update our records.** If you decide to change names on the form you can always visit the Scout Store to make changes, in addition, please call ahead if you are allowing people who are not on the account the ability to charge. We will not allow charges to individuals not listed unless otherwise notified.

In order to better serve you,

*** Including neckerchief and pant (required or not required) info helps us fulfill your units individual uniform requirements.**

*** Please indicate if you would still like to keep a registration account and a store account or if you would like them to be combined into one account**
