

For the 2024-2025 academic year, the Undergraduate Physics Mentoring Leadership Team is a committee of physics undergraduates, graduate students, and faculty. Please contact any of us if you have any questions about the program, or former mentors/mentees specifically if you have questions about their experiences.

You can also reach us at our group email for general questions: ugphysicsmentorship@uw.edu (We currently don't have access to this email. Please instead contact anyone on the leadership team directly)
