

1. Last summer holiday,I went to a rafting trip with my family
2. The problem was, they put me under anesthesia, but it didn't work on me at all.. so i had to hear all the sounds while surgery
3. The next day, I was hard to walk.
4. I made my best friends in the class and we have good relations so far
5. I visited to San Francisco because my friend was studied in there,+
6. I never forget this memory,
7. When I was second grade in university, I took off from school
8. At 2016 I went to abroad alone,
9. We were happy first, but after 3 months later, I was sick of our relationship, so I kicked him off.
10. I asked foreigners how can I could go there.

1. Last summer holiday, I went to a rafting trip with my family.

Last summer holiday, I went on a rafting trip with my family.

2. The problem was, they put me under anesthesia, but it didn't work on me at all, so i had to hear all the sounds during surgery
3. The next day, it was difficult to walk. (I had difficulty)
4. I made my best friends in the class and we have good relations so far.

we still have good relations, We had good relations at first (or until...)

5. I visited San Francisco because my friend was studying there,
6. I never forget this memory,

I've never forgotten... I will never forget

7. When I was in second year of university, I took off from school
took a year off, took a leave of absence

8. At 2016 I went to abroad alone,

In 2016, I went abroad alone

9. We were happy at first, but after 3 months, I was sick of our relationship, so I
kicked him off.

broke up with him, kicked him out, dumped him

10. I asked foreigners how can I could go there.

I asked foreigner how i could go there.

11.
