WELCOME BACK!

Mission Possible

*Our learning
community
“empowers all
students to thrive,
not by accident but
by design”, through
arts infusion and an
asset based mindset.*

Greetings from Heather and Emily!

I hope you all are well. We have a few reminders and upcoming events

- ★ Students must have a mask everyday. We In August we had a year's supply and we are now out of stock.
- ★ Covid Check Colorado is set up in our parking lot. Covid testing is free to everyone. Please sign up for an appointment at [Covidcheckcolorado](https://covidcheckcolorado.com)
- ★ Remember that gum and soda need to stay home. Thank you for helping by saving it for non-school hours.
- ★ We have a zero tolerance for cell phone use during the school day. If found, cell phones may be collected and stored in the principal's office until the end of the day.
- ★ Don't forget to send students with their

masks.

★ Outside supervision begins at 8:40 every morning. Please do not drop students off prior to this time.

Heather Walton
Principal
