

Hello friends,

We are less than 1 month away from Election Day– this is a critical time to have a big impact on candidates who are seeking your vote. They need to hear that their positions about Palestine will be on your mind when (or if) you vote, and that genocide is your red line!

No Votes For Genocide VA needs your help getting candidates to stop hiding and tell us where they really stand when it comes to ceasefire resolutions in city council and the school board, the defunding of the Virginia Israel Advisory Board ([what's this?](#)), and more!

We have sent a questionnaire to every candidate running for Richmond mayor, city council, and the school board and have shared their responses on our website's Candidate Tracker so that you have access to candidates' positions on Palestine and the war in Gaza when deciding about your vote. **But, as of today, only 12 of the 38 candidates who received the questionnaire have filled it out. That's where you come in!**

Find your district below and follow these simple directions to send a quick message to your candidates to tell them you need this information in order to decide how you're going to vote. Or if a candidate has already filled it out, you can thank them!

Want to see the questionnaire first? [Find it here.](#)

Don't know which district is yours? [Go to this website and plug your address into the search bar.](#)

Thank you for joining us in making sure our candidates know: **We won't vote for genocide!**

In solidarity,
No Votes For Genocide VA

P.S. Keep checking our candidate tracker at www.novotesfor-genocideva.com to find your candidates' answers, or to order one of our yard signs!
