Class Donation

Each student will receive the following this year: Assignment Planner, tabs, and pencil bag; various activities throughout year, crafts, and replenishment of shared classroom supplies*. A **donation** of \$20.00 will help offset replenishment of classroom materials (homework planner, pencils, pens, markers, paper, whiteboard supplies, tissue, glue, and craft supplies for projects). However, please note that no one will be denied access or use of supplies due to financial constraints — we share here! **A receipt for tax purposes will be provided at your request.**
