I'll be your pet... ♡

**Door closing.** Yeah! Just take your time, I'm sure we'll find something to do in the meanwhile. *Finally, I thought I'd never get some alone time this trip...* **Shuffling sound.** Well, it looks like it's just...two of us now, huh? Well, I think I'm just going to...**door locking.** lock this. Just to be safe, right? So, I'd been thinking about all of the fun things we could do...**footsteps.** but we never really found the time.

Hmm? **Footsteps.** Well, we'd have to be alone for them, just the two of us. The others would get in our way. Like what? Well..**whisper.** I think you're going to find out, aren't you? You don't need to look so...surprised. Did you think I didn't notice all those looks? I think I noticed...every single one. That's what happens when you're staring right back, huh?

**Shuffling sound.** Well...you can't tell me you don't want to have some...real fun too, right? See? I knew it. Aww you're so cute when you blush. Though...I don't think this is the right room for that kind of thing...it can get a little...well, rough, sometimes. **Footsteps.** I've already thought of the perfect place.

Hmm? You really, really want to know why, huh? **Small laugh.** Fine, though, we have a lot of fun to get to...after that.

**Footsteps approaching.** Do you remember that first day, when we went hiking? We found that beautiful waterfall, and everyone was so busy taking pictures... **Sigh.** I thought for sure you'd try to at least...I don't know, steal a kiss or

something! But you... just kept fumbling with your stupid camera. **whisper** I was so annoyed. Honestly, I wanted to chuck that stupid thing straight into the water.

**Sigh, followed by a louder voice.** And then, we sat by the campfire, sharing stories and roasting marshmallows... **Crackling fire sound.** I kept glancing your way, I thought for sure you'd do something then but...you just kept talking about constellations and asking if I wanted more damn marshmallows. **Whisper.** It was cute and all but...I really wanted to just strangle you then. A couple in front of us even kissed each other. Shh...don't interrupt me now, okay?

**Hand thumping against wall.** Or, how about that time we went canoeing? **Water splashing sound.** We were so close, I thought you did that on purpose. I was sure you had! **Sigh.** Then you apologized. Apologized! God, I wanted to drown you.

**Footsteps moving in a circle.** I was getting so mad, thinking you'd never make a move. **Whisper.** But then I realized, maybe it's either that you're super dense or you're just very shy... **Footsteps approaching.** So, here I am being more direct with you. **Kissing.** Aww, did that surprise you? Hehe.

I've been waiting for this for... a while... **Footsteps.** And we're not going to be talking much... you understand, right? No, we're going to have some... real fun.

**Footsteps approaching.** So, are you ready? **Whisper.** Good. Because I've been waiting for this. **Footsteps receding.** Let's get to that place we saw earlier.

**NSFW SECTION BEGINS**

**Door opening and closing.** Here, now nobody will be able to get in our way. You're a little more nervous than I expected. Hmm? I don't mind at all...it just makes it more fun. Now, why don't you just sit right over...**bed creaking.** here. I'll be taking very good care of you tonight. We just have to take care of...**unzipping.** this first.

Just pull this down and...**clothes rustling.** ah. See? You're even more...excited for this than I am. Let's just give you a little...**wet sound.** taste. Like that. You should get used to it, I do like taking my time sometimes and I think it'll be a lot of fun with you.

Now...**wet sounds.** Mmm...Mmm...I felt your whole body shiver from that. **wet sounds.** Mmm...This is just a little...practice. I hope it's not too much, because I'm not going to stop anytime soon.

**wet sounds.** Mmm...Mmm...Don't look so surprised. You were about to finish, weren't you? Well just because I make you feel good doesn't mean you can come... you have to earn it, okay?

**Shuffling sound.** Wait what? Haha you were struggling a lot with me between your legs. Are you sure you can do a good job? Well.. it's not like I'm saying you're inexperienced. Oh yea? And how are you going to do that? Fine, okay go for it. Eat me out. And you better do a good job.

**Bed creaking.** I'll try not to expect too much now. *I'm going to have to teach him how to do this right, won't I? Oh well, this will be good for his ego. Besides, he does look really cute right now.*

Ah...**wet sounds**. that's it. Just like...fuck. Ah...**wet sounds**. No, no keep going. I...like it. Just keep going like that. *He's...better than I thought he'd be.* You can go a little faster...if you want. Ah, fuck. Yeah...yeah just...**higher pitched**. just like that. Just keep going like...that and...Mmm...You...**wet sounds**. fuck.

He didn't seem like the type...* Don't get too ahead of yourself okay? I don't want your pride plummeting when you can't make me cum-

**Bed creaking**. Ah...**wet sounds**. You should at least..warn me fi- fuck. Ah...God...w-wait... Ahh. Ahhh fuck... Mmm...God...*He's...he's almost too good at this.* I just need to...I just need to breathe...a little...fuck.

**Heavy breathing**. I...did I...how?! *He just made me cum that easily.* You...**breathy voice**. you're a little better at this than I'd thought you'd be. D- don't look so smug, it just...it just caught me off guard, I wasn't prepared. That's...that's the only reason why this...happened. Besides...uh...**shuffling sound**. now we need to get back to taking care of you. I won't go easy on you anymore.

Wait...**bed creaking**. what are you doing..you're...Hey, not so...**wet sounds**. Ah...fuck. You just..you just went...**wet sounds**. went right in. Let me just...*He*
