<https://docs.google.com/document/d/1IBP1c17QboZI-oJpCKJpWxCEYXsPA0h2Z4LCJajHBx4/edit>

Came home bigger she kept the Originals with her Suggested Revised changes that's why I need it now it's a proper test for me to formulate the charter proposal ..Lifer Nomad Mc fully operational in and out of community , along with in conclusion why a fully operational commission is needed that's trademark mc under all big house crews ! It's a break style system for the national parole boards worldwide also.

They safety concerns to the God complex problem don't you realize how much work this is ffs ok Gi type o to Ci your allowed to have cared , and got all pissed of cause it got all fucked up ! Yes that stupid f__king Giles was told I'm not suppose to promote my patch from my cousin ,,so the dumb f__k thought what ,but it was only his patch not the club. That was up to my mother ! And she did it right ! But I was only 12 that's why ok British Columbia unloyal ones with the rest ! I speak words I mean after this bunk sh_t

Misty Lee Hall's dad wasn't bright but loyal he got it back 10 fold .

{ momma said you have to get your talons in them like fangs and drain every little bit of blood out of them , that's hells angels Omerta is like seek in your house and stick an ice pic in your ear and what the wolf pack was and this isn't it bye any means it turned Satan's Choice i guess }

But Momma also said the hells angels control the cocaine and hash TRADE verbatim TRADE on the Streets in Montreal Quebec Canada in 1987 to me my hand on the Bible I tell you know lies }

Momma ment I will Promote Your F__king Club to My Son ..Is what she meant you st_pid Ontario F__ks ok

Both son and mother believe in capital punishment . For example the same rules don't apply to the Pope as they do to say my criminal actions or or behavior! But after 1987 and her little speech to the 13 th tribe two and my babysitting duties. I was also taught about the charter of rights and freedoms that's what set me on my way ! She did promote the hell's angels only on the facts ! And let me guide myself

If ya lay down with dogs you wake up with fleas ! In my life she taught me to think that way ok !

Biker Boy { I want to race }
