

Privacy Policy for Merge Puzzle

Last updated: 5th May 2025

Yudiz Solutions Limited ("we," "our," or "us") operates the mobile game **Merge Puzzle** (the "Game"). This Privacy Policy explains how we handle your information when you use our Game. Please note that **we do not collect, store, or share any personal data** from users at this time.

Information We Do Not Collect

We do not collect any personal data or information from Game users. That means:

- We do not collect names, email addresses, phone numbers, or other personal identifiers.
- We do not track your location or any gameplay-related data.
- We do not collect or store any financial information.
- We do not collect information through cookies or any other tracking technologies.

Children's Privacy

Our Game is not intended for children under the age of 13. Since we do not collect personal data, there is no risk of obtaining personal information from minors.

Changes to This Privacy Policy

Although we do not currently collect any data, we may update this Privacy Policy from time to time. Any changes will be effective immediately upon posting the revised Privacy Policy. If we decide to collect data in the future, we will update this policy to explain what data we collect, how we use it, and what choices users have regarding their data.
