

Privacy Policy

GEARit Cam built the Dashcam app as a Free app. This SERVICE is provided by GEARit Cam at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Dashcam unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, I may require you to provide us with certain personally identifiable information, including but not limited to GoDirect Inc.. The information that I request will be retained on your device and is not collected by me in any way.

The app does use third party services that may collect information used to identify you.

Log Data

I want to inform you that whenever you use my Service, in a case of an error in the app I collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these “cookies” explicitly. However, the app may use third party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

I may employ third-party companies and individuals due to the following reasons:

To facilitate our Service;

To provide the Service on our behalf;

To perform Service-related services; or

To assist us in analyzing how our Service is used.

I want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Information we may collect

When we provide services, we may collect, store and use the following information about you. If you do not provide relevant information, you may not be able to enjoy some of the services we provide, or you may not be able to achieve the intended effects of the relevant services.

1.1 Personal information

We collect, use, store and disclose personal information to provide you with services by creating accounts, identifying users, responding to inquiries and emails, etc. "Dashcam" will provide you with the management and related services of personal photos and videos with

the user's permission, and provide you with better services by sending notifications, surveys, preferential information and other promotional materials.

1.2 Collected for service purpose

You can use this software without a user account. If you want to use more functions, you can register this application and provide relevant personal information. The information collected by "Dashcam" is limited to the information necessary for you to agree to use the basic service.

1.3 User provided

1.3.1 If you need to use more "Dashcam" functions, such as sharing the content of "Dashcam" on WeChat, Weibo, etc., you need to complete your personal information, such as filling in your gender, birthday, car model and other personal information.

1.3.2 The information you provide, "Dashcam" will maximize the reasonable commercial obligations to keep confidential. With your consent, "Dashcam" will provide you with information notifications, event pushes, version upgrades and other services.

1.4 "Dashcam" is a tool used to send information and other content between users

If you send information or other content to another user, the "Dashcam" server will save this information/content for you and send this information/content to that user.

1.5 Other ways you provide information

We may collect your personal information in other ways (for example: email, information download, purchase of products or services, feedback). If you fill in your personal information on other open platforms, other users may learn your information.

1.6 Information you share to the community

All the information you share in the "Dashcam" community (including but not limited to photos, videos, etc.) is open to all viewers by default. You must be responsible for all actions under your registered account, including any content you send and Any result from this. "Dashcam" cannot and will not be liable for any losses caused by the user's own actions. In order to avoid legal risks, users are not allowed to use "Dashcam" to create, upload, copy, or send the following content:

- a. Oppose the basic principles established by the Constitution;
- b. Endangering national security, leaking state secrets, subverting state power, and undermining national unity;
- c. Damage to national honor and interests;
- d. Inciting ethnic hatred, ethnic discrimination, and undermining ethnic unity;
- e. Undermine national religious policies and promote cults and feudal superstitions;
- f. Spread rumors, disrupt social order, and undermine social stability;
- g. Spread obscenity, pornography, gambling, violence, murder, terror, or abet crime;
- h. Insult or slander others, and infringe the lawful rights and interests of others;
- i. Information that contains other content prohibited by laws and administrative regulations.

1.7 Your other information

In order to facilitate your use of the "Dashcam" software, our server will collect information about your mobile communication device, such as model, device ID, Internet protocol address, time and location of your visit, routing data packets, sender of information and receiving data (But not the information itself), and other similar characteristic records. We will use cookies and navigation data like Uniform Resource Locator (URL) to collect the time and date of your visit, search and view information, etc.

1.8 location information

Information about your location collected when you turn on the device positioning function and use our location-based related services.

include:

When you use our service through a mobile device with a positioning function, your geographic location information is collected through GPS in order to obtain the wifi name of the relevant device.

You can stop the collection of your geographic location information by turning off the positioning function, but this will affect the acquisition of the wifi name by our APP.

2、Use of personal information

2.1 If this privacy agreement does not specify or the update of this privacy agreement fails to notify you, your personal information will not be used for other purposes.

2.2 Anonymous aggregate statistical data is not personal user information as defined by "Dashcam". We will store and use such information for a variety of purposes, including but not limited to analysis and usage pattern reports. "Dashcam" reserves the right to allow third parties to use and disclose anonymous aggregate statistical data for any purpose or unilaterally.

2.3 All the information you share in the "Dashcam" community (including but not limited to photos, videos, etc.) is disclosed to all viewers by default, and may be copied, forwarded, altered or used for other illegal purposes by other organizations or individuals. Will damage the legitimate interests of you or others, and you must be fully aware of the existence of such risks. You expressly agree to bear all risks and consequences of sharing information by yourself, and "Dashcam" does not need to bear any responsibility.

3、Disclosure of personal information

3.1 Except for the limited disclosure stated in this privacy agreement, we will properly store your personal information and will not disclose the list of customers.

3.2 You hereby authorize that, in the following circumstances, we will disclose your personal information to a third party without your consent:

3.2.1 It is necessary to identify, contact or file a lawsuit against actions that may cause damage to our rights or property, users or any other person (including the rights and property of any other person);

3.2.2 The need for legal investigation;

3.2.3 It is necessary for subpoenas or other warrants issued by law enforcement agencies to be served to us by law

3.3 For the purpose of sharing interesting videos or warning viewers to pay attention to traffic safety, "Dashcam" may forward the information shared by users to the community (including but not limited to photos, videos, etc.) to third-party platforms. The user continues to use the software to agree to "Dashcam" forwarding to third-party platforms.

4、assist

You should assist us to protect the security of your personal information. For example, don't reveal your personal password.

5、Collection and use of personal information of young people

5.1 We recommend that minors under the age of 18 use "Dashcam" with the permission and guidance of their legal guardian.

5.2 "Dashcam" will not use the personal information of minors, nor will it disclose identifiable information to any third party. The guardian has the right to refuse "Dashcam" to further collect the personal information of the ward, or request "Dashcam" to delete the ward Personal information.

6、Amendments to this privacy agreement

6.1 This privacy agreement allows adjustments. If we make any substantial adjustments to the method of using your personal information, we will notify you through an announcement.

6.2 If you do not want us to change the use of your personal information, you must notify us before you expect to stop using our account. Your continued use of "Dashcam" will be deemed to be that you know and agree to be bound by such changes in the notice.

7、Permission description

7.1 The purpose of obtaining the ACCESS_FINE_LOCATION is to obtain the geographic location when the WiFi name is obtained.

7.2 The purpose of obtaining CAMERA permission is to take pictures and record videos.

7.3 The purpose of obtaining INTERNET permission is to access the device server.

7.4 The purpose of obtaining the WRITE_EXTERNAL_STORAGE permission is to store the video or picture files passed by the dash cam.

7.5 The purpose of obtaining the READ_EXTERNAL_STORAGE permission is to read the pictures or videos in the local album when posting.

7.6 The purpose of obtaining the ACCESS_WIFI_STATE permission is to check whether the user's mobile phone is connected to the Internet.

7.7 This app requires location information permissions (ACCESS_BACKGROUND_LOCATION, ACCESS_FINE_LOCATION, ACCESS_COARSE_LOCATION) to connect to your dashcam and provide a complete dashcam experience. Specifically, we need to access the SSID of nearby WiFi networks to identify your dashcam model, so as to optimize app features and meet development needs. We promise to only use location information to connect to dashcams and provide related features, and strictly abide by the privacy policy and will not use it for other purposes.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has

provided us with personal information, please contact me so that I will be able to do necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2025-06-01
