

CREAM PUFF IN A PAN

1 cup water
1 stick margarine
1 cup flour
4 eggs
2 small boxes instant vanilla pudding
3 cups milk
1 8 oz. pkg. cream cheese
1 large container whipped topping
Chocolate syrup

Bring the water and margarine to a boil. Add the flour and beat in the eggs, one at a time. Spread into a greased jelly roll pan. Bake at 400 degrees for 25 to 30 minutes. Let cool. Beat together the pudding mix, milk and cream cheese. Spread over the crust. Spread the whipped topping on and drizzle with chocolate syrup.

Variations: Use banana pudding and banana slices or use one package of cream of coconut pudding and sprinkle toasted coconut on top instead of chocolate syrup.
