Member Spotlight

Each month, we highlight one of our outstanding members. This month, Brett Chase is our member to put in the spotlight. Brett has been very active this year making sure that we have had excellent Saturday night dinners each week. We have seen an up tick in how many people are coming out to eat. Bret also in tandem with Lorna has been making sure that the bar is stocked weekly with everything that we want to drink. Also, on top of all that he goes to Sams weekly to pick up all of the items we need for the kitchen and the bar that get used up. He also keeps the sign out front updated with good info for the public to see and he keeps this website operating flawlessly. He has done a great job and is deserving of this month's member in the spotlight. Thank you, Brett.
