

# Animal Cannibal's Commission Prices

- I announce my commission openings on Instagram or Twitter.
  - I work with Paypal invoices only, all invoices are in USD.
  - For an additional character, it will be double the original price.
  - Commissions over \$200 can be split into two week payment plans.
  - I will not draw humans, offensive imagery, and certain species.
- 

## Detailed Icons: \$50

These pieces feature a detailed, shaded bust of your character with a background. The price may vary for more complex backgrounds.

**Full Body: \$80**

These pieces will feature a fully shaded detailed full body drawing of your character. Another character is double the price. Flat color full body is \$60.

**Scene: \$200 (+)**

Scene prices may vary, but the base is \$200. For another character it's double the price. The price will also be raised depending on background complexity. These pieces will feature a full body of your character(s) fully shaded with a detailed background.
