Director's Note

As we eagerly approach the culmination of the semester, immersed in a festive spirit, we extend a heartfelt welcome to our Annual Holiday Concert. Themed "Impressions," our performance draws inspiration from the timeless brilliance of John Coltrane's composition while infusing holiday repertoire with a vibrant fusion of genres.

I am particularly looking forward to our student-led improvisation set, a showcase of their creativity, talent, and communal spirit. Adding to the excitement, a special jazz combo, spearheaded by the esteemed Sam Reider, a distinguished faculty member here at Saint Mary's, promises to elevate our already thrilling night of musical delight.

As we bring the concert to a close, anticipate our holiday tunes bound to immerse everyone in the joyous spirit of the season! We hope you enjoy the concert and thank you for coming and supporting our music program at Saint Mary's College of California.

Sixto Montesinos Jr.
