Large content update for TombstoneMMO

HEADLINE:

Ridgewood content update for TombstoneMMO adds a new island and boss fight.

Austin, TX – A brand new update for this exciting, runescape inspired, pixel art MMO launches today. Play on [Steam](#), in [browser](#) and even on [mobile](#).

Ridgewood adds a ton of new content to this already extensive MMO, including level 60 materials and crafts. Get yourself some cobalt ore, craft gear beyond steel, make some new hybrid recipes, farm new crops and much, much more.

And of course let's not forget the new boss fight, the Connelly Siblings. This will be a tough fight that is going to require skill, high level gear and some friends.

You can now support the game via Steam! We've finally added the Farmers Bundle to Steam as DLC and it will be going on sale Soon. All the other cosmetics can still be purchased from the in game cosmetic store.
