to me

Step 2: Setup for Trading

- Download MT5 from the official website: [MetaTrader 5 Download](#)
- Log in and begin trading.

Step 3: Evaluation Phase Guidelines

- Carefully follow the rules of the funded stage during the evaluation phase to accurately assess your readiness for trading under funded conditions.
- **Crucial Note:** If you pass the account with the funded stage rules you will really understand if you can take payout from this account.

Step 4: Trade Journaling

- Access and use the trade journal template: [Trade Journal Spreadsheet](#)
- For instructions on how to use the journal, download this guide: [How to Use This Journal](#)
