

## Access Course Banner Options

There are three ways to access the course banner options panel.

1. In your course's main page, go to Course Image in the Details & Actions menu.

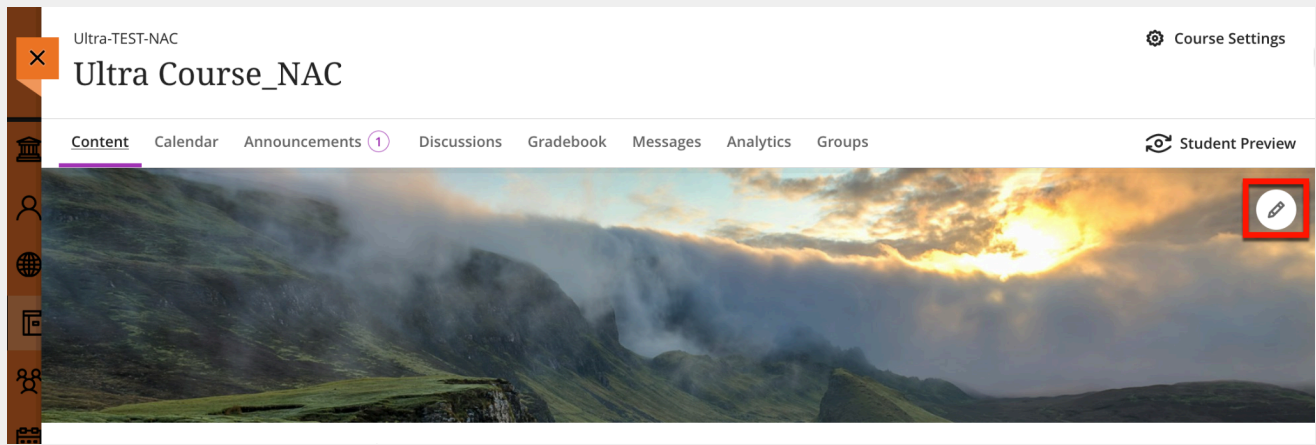

2. In the grid view of Learn's base navigation, hover over the image and select the three dots that appear. You can now select Edit image from the menu.

3. In the main page of your course, select the pencil icon on the banner.
