IMPORTANT INFORMATION:

STUDENT CHEF COMPETITION:

Congratulations to Evan Etue for winning the HHS Student Chef Competition! It was a close competition, and both students created excellent meals!

NINE WEEKS EXAMS:

Students will be taking nine-weeks exams this week. Be sure you get plenty of rest and come prepared for your exams. Your nine-weeks exams will count as 20% of your nine-weeks grade!

DOWNLOADING VPNs:

We have had several students download VPNs to our devices. VPNs allow students to get around the filters we have that block certain websites.

However, VPNs will also open a gateway for hackers to access our servers. We CANNOT have this happen; thus, any student downloading a VPN will be punished. This is everyone's warning!!! This is serious and will not be

tolerated. We have sensitive student data on our servers, and we CANNOT take the risk of it being accessed by hackers. Also, it's simply wrong for a student to download a VPN to access sites that are blocked by the district!

**KEEP
CALM
AND
NO
FIGHTING**

IMPORTANT INFORMATION:

Students involved in assaults or violent fights on the Hermitage High School campus will receive a punishment from the school. Additionally, HHS will file an affidavit with the court, and these students will have to appear before the judge. Lastly, we will have police remove students from campus and bring them home.

We take students' safety seriously, and we want to do everything in our power to deter students from attacking other students.

STUDENT VOICE LOCKER:

Your Student Voice team has set up a locker for comments and feedback. They want to encourage students to use the locker to give feedback on ways to improve our school!
