### **Health and Safety:**

All girl scout safety standards are met at camp. A certified first-aider is on duty at all times and arrangements have been made with local emergency services. Complete the registration and health forms with current and accurate information. All medical information will be kept confidential and accessed on a need-to-know basis only. This will help us meet the need of all campers. Parent/Guardian signature is required to give permission for emergency medical treatment.

### **COVID-19:**

While no restrictions or changes are in place currently, the status of guidance or mandates specific to COVID-19 and its impacts on day camp will be continually monitored leading up to camp and all campers and guardians will be notified of any changes via email.

### **Severe Weather:**

Each camp has an action plan to respond to all forms of inclement weather. Please contact your Day Camp Director for specific information.

**Transportation:**

Busing is required for all camps on a council-owned property. Due to limited parking at council-owned camps, all girls and adult volunteers are required to travel via bus unless given prior approval from the day camp director.

**Camp Clothes:**

Camp is an outside activity. Dress your camper in their Lost in Candyland T-Shirt each day and old clothes appropriate for the weather. We recommend hat, bandana, socks and sturdy closed toe shoes. LEAVE FLIP FLOPS AND SANDALS AT HOME.

**Equipment & Supplies:**

Please bring a backpack to camp each day. It should contain:

- Sack lunch: this will NOT be refrigerated at camp
- Insect repellent: apply at home & bring extra
- Sunscreen: apply at home & bring extra
- Small reusable water bottle ( we will have LOTS of cold water refill stations at throughout camp)
- A small baggie to hold excess SWAPS so hat/bandana doesn't get too heavy
- Towel, swimsuit & water shoes on swim days (Adults MAY be able to swim, but are also needed as "watchers." Lifeguards on duty will have the ultimate say in the matter.)
- A plastic bag to put wet swimsuit in (if able to swim)
- An extra pair of socks
- Check the forecast to see if you might need a rain poncho. Please no umbrellas.

Everything you bring to camp should be labeled with your name.
